United States District Judge  
Thurgood Marshall United States Courthouse  
40 Foley Square  
New York, NY 10007

**Re: United States v. Scott Mangini, 20 Cr. 162 (JPO)**

Dear Judge Oetken:

I represent Scott Mangini in this matter. Today, I filed pretrial motions for Mr. Mangini related to suppression issues. I write to request a ten-day adjournment for a potential motion for a bill of particulars. The purpose of the adjournment is to allow continued review of a sizable production of materials produced on December 2, 2020 and to allow for discussions among the parties about the necessity of such a motion.

If the Court grants my request, the adjusted deadlines would be: defense motion for a bill of particulars is due on December 21, 2020; the Government's response to such a motion is due on January 21, 2021; and any defense reply is due on February 4, 2021.

I have spoken to AUSA Andrew Adams and Sarah Mortazavi and they have no objection to my request.

Respectfully submitted,

/s/ William J. Harrington
